MYSTERY HOUSES

The Walt Disney PTO is again sponsoring "Mystery Houses." This year we will have mystery houses in Roxbury, Brookhaven and Brookhaven West. Disney students finding a mystery house will receive a mystery bag! You might be asking what is a mystery house and how do you win? Well, the answers are simple. On Halloween night simply ask at any house "Are you a mystery house?" If that house is a Mystery House, and you are the first Disney student to discover it, your child will be given a button to wear that MUST be brought to school the next day! The button will be exchanged for the winners prizes. Simple. Right! To give everyone a fair chance a few rules must be followed:

- The mystery house contest is only open to Walt Disney Students.
- Each student is eligible to win only one prize. Do not attempt to collect more than one button. One prize per student.
- Mystery House buttons will be given out only between 6:00pm and 8:00pm. If you ask before or after the given times you will be told NO!
- Only one child can win at each house. After the button has been handed out at each house a sign will be placed on the door announcing the winners name.
- If more than one child asks at the same time, the person giving the button will determine the winner by some means of chance, such as a coin toss or picking a number.
- Children may **NOT** win in at their own home.
